1 authorities, the pleadings and papers on file in this action, the reply and such oral argument as the
2 Court may permit. Plaintiff's opposition to the motion will be due on November 27, 2007, 21
3 days prior to the hearing date. Defendants' Reply will be due on December 4, 2007, 14 days

5 RELIEF SOUGHT

6 The moving party seeks an order dismissing the individual defendant Dr. Vaneida White
7 and substituting the United States as the sole defendant in this matter; and dismissing the
8 complaint in its entirety for lack of subject matter jurisdiction due to failure to exhaust
9 administrative remedies; and for failure to properly serve the United States pursuant to Rule 4(i)
10 of the Federal Rules of Civil Procedure.

11 MEMORANDUM OF POINTS AND AUTHORITIES

12 I. INTRODUCTION

13 By his complaint, Plaintiff Jimmie Stringer ("Plaintiff"), seeks to hold Dr. Vaneida White
14 ("Dr. White") liable for medical malpractice. Dr. White, is an employee of Lifelong Medical
15 Clinic, which is a federally deemed health center under the Federally Supported Health Centers
16 Assistant Act ("FSHCAA"). 42 U.S.C. § 233 (g)-(n). Pursuant to the FSHCAA, a deemed health
17 center and its employees are covered under the Federal Tort Claims Act 28 U.S.C. § 2671 *et seq.*
18 ("FTCA") for alleged acts of negligence while acting within the course and scope of their
19 employment. Accordingly, the FTCA provides the exclusive remedy for actions predicated on
20 allegations of injury due to negligence by employees of a deemed health center. Because
21 Plaintiff's medical malpractice claims fall within the scope of the FTCA, and they are subject to
22 several jurisdictional prerequisites before they can be brought in federal court. Plaintiff has failed
23 to meet these prerequisites; therefore his complaint should be dismissed without prejudice at this
24 time.

25 First, Plaintiff has failed to name the proper defendant in this action. The only proper
26 defendant in an action under the FTCA is the United States. Plaintiff's current complaint lists
27 Dr. White as the defendant. Accordingly, the United States should be substituted as the sole
28 defendant and Dr. White should be dismissed from the action.

1 Second, Plaintiff has failed to exhaust his administrative remedies as required under the
2 FTCA. 28 U.S.C. § 2675(a). Failure to exhaust administrative remedies results in lack of subject-
3 matter jurisdiction, which requires dismissal of the complaint. Fed. R. Civ. P. 12(b)(1).

4 Finally, Plaintiff has failed to properly serve the United States pursuant to Rule 4(i) of the
5 Federal Rules of Civil Procedure; accordingly the complaint should be dismissed for improper
6 service of process. Fed. R. Civ. P. 12(b)(4) and 12(b)(5).

7 II. ISSUES TO BE DECIDED

8 Whether the Plaintiff's complaint against Dr. White should be dismissed and the United
9 States substituted as the sole and proper defendant for Plaintiff's claims, which fall within the
10 scope of the FTCA.

11 Whether, Plaintiff's complaint should be dismissed in its entirety for failure to exhaust
12 administrative remedies as required by statute.

13 Whether, Plaintiff's complaint should be dismissed for failure to execute proper service
14 as required under Rule 4(i) of the Federal Rules of Civil Procedure.

15 III. STATEMENT OF FACTS

16 On August 10, 2007, Plaintiff filed a form Complaint titled "Personal Injury, Property
17 Damage, Wrongful Death" in Alameda County Superior Court against federal defendant Dr.
18 White of Lifelong Medical Clinic. *See* Ex. A, Complaint. Plaintiff alleges medical malpractice
19 claims for strict liability, negligence, and gross negligence against Dr. White. *See* Ex. A at box
20 10. Plaintiff alleges that on or about October 17, 2006, he went to Lifelong Medical Clinic and
21 was told that Dr. White did not want to see him. Plaintiff further alleges that on or about
22 February 9, 2007, Dr. White refused to renew his DMV disability placard. *See* Ex A at p. 3 of
23 Prayer for Relief. Plaintiff claims that as a result he lost his car and has suffered injury.

24 Plaintiff's complaint suffers from a fatal jurisdictional defect. Absent from his complaint
25 are any allegations that Plaintiff complied with the exhaustion requirements set forth in the
26 FTCA. Moreover, Meredith Torres, a Senior Attorney in the General Law Division of the Office
27 of General Counsel of the Department of Health and Human Services, provided a declaration,
28 (which is attached) stating that she searched for an administrative complaint submitted by

1 plaintiff and found none.

2 Although the United States Attorney's Office received a copy of the Summons and
3 Complaint from the Department of Health and Human Services on October 25, 2007, as of the
4 date of this motion the United States Attorney's Office has not been properly served as required
5 by Rule 4 of the Federal Rules of Civil Procedure.

6 Finally, on October 30, 2007, the United States Attorney's Office filed a Notice of
7 Removal to remove Plaintiff's case to federal district court.

8 **IV. ARGUMENT**

9 **A. Legal Standards**

10 Before filing an answer, the defendant may move to dismiss the complaint for any of the
11 applicable bases set forth in Federal Rule of Civil Procedure 12(b).

12 1. Rule 12(b)(1)

13 A motion to dismiss under Rule 12(b)(1) tests the subject matter jurisdiction of the court.
14 See e.g., *Savage v. Glendale Union High School*, 343 F.3d 1036, 1039-40 (9th Cir. 2003), cert.
15 denied, 541 U.S. 1009 (2004). A motion will be granted if the complaint, when considered in its
16 entirety, on its face fails to allege facts sufficient to establish subject matter jurisdiction. *Id.* at
17 1039 n.2. Plaintiff has failed to allege facts to establish subject matter jurisdiction in this case.

18 2. Rules 12(b)(4) and 12(b)(5)

19 In this case, the United States moves to dismiss for insufficiency of service of process
20 under 12(b)(5). Where the validity of service is contested by a Rule 12 motion, the burden is on
21 the plaintiff to establish the validity of service. See *Curtis v. Treasury Dept.*, Civ. No. C05-
22 04964 MJJ, 2007 WL 1201813 at *2 (N.D. Cal. April 23, 2007). The United States also moves
23 to dismiss for defective process under 12(b)(4). Here, the United States has not been properly
24 served with the complaint or summons.

25 **B. Plaintiff's Claims Under the FTCA Should Be Dismissed.**

26 1. The United States Is the Only Proper Defendant Under The FTCA.

27 Plaintiff's claims fall within the scope of the FTCA and as such can only be asserted
28 against the United States; therefore Dr. White should be dismissed from this action. The United

1 States, as sovereign, can be sued only to the extent that it has consented to be sued. *United States*
2 *v. Sherwood*, 312 U.S. 584, 586 (1941); *Gilbert v. DaGrossa*, 756 F.2d 1455, 1458 (9th Cir.
3 1985). The terms of that consent define a federal court's jurisdiction to entertain such suit.
4 *United States v. Testan*, 424 U.S. 392, 399 (1976). The FTCA is the exclusive waiver of
5 sovereign immunity for actions sounding in tort against the United States, its agencies and/or
6 employees acting within the scope of their employment. *Smith v. United States*, 507 U.S. 197,
7 201 (1993) (citing 28 U.S.C. § 1346(b)). Accordingly, the FTCA provides the only possible
8 jurisdictional basis for Plaintiff's claims. Moreover, the United States is the only proper
9 defendant in claims brought under the FTCA. 28 U.S.C. § 2674 (liability under FTCA is against
10 the United States).

11 As previously stated, Plaintiff alleges malpractice claims against Dr. White. By
12 providing services to Plaintiff, at the times stated in the complaint, Dr. White was acting within
13 the course and scope of her employment with Lifelong Medical Center; a health center covered
14 by the FTCA. 42 U.S.C. § 233(g)- (n). Because, the United States is the only proper defendant
15 under the FTCA, and the claims alleged fall within the scope of the FTCA, the claims against Dr.
16 White should be dismissed and the United States substituted as a defendant. 28 U.S.C. § 2679
17 (b)(1) (action against the United States is the exclusive remedy for torts allegedly committed by
18 federal employees); *Lance v. United States*, 70 F.3d 1093, 1095 (9th Cir. 1995) ("The United
19 States is the only proper defendant in an FTCA action.").

20 2. Plaintiff's Complaint Should Be Dismissed For Failure To Exhaust
21 Administrative Remedies As Required By The FTCA.

22 Plaintiff's complaint should be dismissed for lack of subject-matter jurisdiction because
23 plaintiff has failed to exhaust his administrative remedies as required by statute. Before filing suit
24 under the FTCA, the plaintiff must first make an administrative claim to the appropriate federal
25 agency within two years of the incident. 28 U.S.C. § 2401 (b). The federal agency must either
26 finally deny the claim or fail to reach a final decision within six months of the filing date. *See* 28
27 U.S.C. § 2675. Here, Plaintiff has failed to file any administrative claim with the proper agency;
28 the Department of Health and Human Services. *See* Ex. B, Declaration of Meredith Torres.

1 Accordingly, Plaintiff has failed to exhaust his administrative remedies, and his Complaint
2 should be dismissed. *Vacek v. USPS*, 447 F.3d 1248, 1250 (9th Cir. 2006).

3 **C. Plaintiff Has Failed to Properly Serve the United States Under Rule 4(i) of the**
4 **Federal Rules of Civil Procedure.**

5 Once the United States is substituted as the proper Defendant service of process must be
6 executed properly. Service of process of a complaint against the United States government, or an
7 Agency of the United States government, is controlled by Federal Rule of Civil Procedure 4(i),
8 which requires specific, simultaneous acts of service upon the concerned Agency head, the
9 United States Attorney General's office in Washington, D.C., and the local United States
10 Attorney's Office. *Whale v. United States*, 792 F.2d 951, 953-54 (9th Cir. 1986) (affirming
11 dismissal, held counsel's belief that service on local U.S. Attorney's Office was sufficient
12 inadequate to show good cause or justifiable excuse; Rule 4's requirements must be followed).

13 Federal Rule of Civil Procedure 4(i) provides in pertinent part:

14 **(i) Serving the United States, Its Agencies, Corporations, Officers or**
15 **Employees.**

16 (1) Service upon the United States shall be effected

17 (A) by delivering a copy of the summons and of the complaint to the
18 United States Attorney for the district in which the action is brought or to
19 an Assistant United States Attorney or clerical employee designated by the
20 United States Attorney in a writing filed with the clerk of the court or by
21 sending a copy of the summons and of the complaint by registered or
22 certified mail addressed to the civil process clerk at the office of the
23 United States Attorney and

24 (B) by also sending a copy of the summons and of the complaint by
25 registered or certified mail to the Attorney General of the United States at
26 Washington, District of Columbia, and

27 (C) in any action attacking the validity of an order of an officer or agency
28 of the United States not made a party, by also sending a copy of the
summons and of the complaint by registered or certified mail to the officer
or agency.

(2)(A) Service upon an agency or corporation of the United States, or an
officer or employee of the United States sued only in an official capacity,
is effected by serving the United States in the manner prescribed by Rule
4(i)(1) and by also sending a copy of the summons and complaint by
registered or certified mail to the officer, employee, agency, or
corporation.

25 Fed. R. Civ. P. 4 (i). The rules of service must be followed; actual notice is insufficient. *Tuke v.*
26 *United States*, 76 F.3d 155, 156 (7th Cir. 1996). On October 25, 2007, the United States
27 Attorney's Office received a copy of the Summons and Complaint from the Department of
28 Health and Human Services. As of the date of this motion, the United States Attorney's Office

1 has not been served in accordance with the Federal Rules. The only pleadings received in this
2 matter are the state court pleadings. *See* Ex. C, Notice of Removal. Accordingly, this case
3 should be dismissed pursuant to Rules 12(b)(4) and 12(b)(5) of the Federal Rules of Civil
4 Procedure.

5
6 **V. CONCLUSION**

7 Plaintiff's complaint should be dismissed without prejudice because he has failed to
8 comply with several procedural prerequisites for bringing this action. First, before bringing his
9 action to district court, the Plaintiff must exhaust his administrative remedies with the proper
10 agency. Plaintiff has failed to file any claim with the administrative agency; accordingly his
11 complaint is subject to dismissal. In addition, because Plaintiff's claims fall within the scope of
12 the FTCA, he must name the United States as the sole defendant in his action. Once, the United
13 States has been substituted as the proper defendant, Plaintiff must comply with the service
14 requirements set forth in Rule 4(i) of the Federal Rules of Civil Procedure. Plaintiff's present
15 complaint fails to satisfy this requirement. Plaintiff's failure to satisfy these prerequisites divests
16 the court of jurisdiction over his claims.

17 For the foregoing reasons, the Court should grant defendant's motion.

THE VERY FACT THAT THE PLAINTIFF SUFFER AND WILL MOST DEFINITLY CONTINUE TO. JUDICIAL VICTIMS IN AMERICA

WHAT JUDICIAL VICTIMS CAN DO

1
2
3
4
5
6 **1. Victims Of Lawyer Theft:** Research shows this is a large category and exceeds all types
7 of formal complaints against lawyers nationwide. Theft occurs in a number of ways. Most
8 common manner of theft is when a lawyer collects funds from his client-or on behalf of his
9 client which are to be held in a trust account to be disbursed to a third party for a specific
10 purpose or to be disbursed to the client. A civil and criminal action is encouraged.

11 **2. Victims Of Lawyer Malpractice:** Victims in this category are most common. A lawyer
12 can be guilty of the sin of omission or commission and in either case create malpractice
13 action for his client. Most malpractice transgressions occur through slothfulness of the
14 lawyer in one form or the other. Other malpractice transgressions occur through
15 dishonesty, fraud and a variety of actions or non-actions. A formal complaint with the state
16 bar and generally a civil complaint is encouraged. There are about 400 lawyers nationwide
17 who will consider malpractice lawsuits against other lawyers. Many malpractice victims
18 will handle this lawsuit pro se simply because of the politics in the system. Be sure you get a
19 jury for your malpractice case!

20 **3. Right To Equal Protection Of Laws:** Article XIV affords us equal protection of the laws.
21 In the judicial system today there is a rule called "attorney privilege". There is no rule
22 called "litigant privilege". The very existence of privilege for one and not for the other
23 suggests a lack of equal protection of the laws

24 **3. Complaint To State Victims Fund:** At last count forty five states have a fund to partially
25 reimburse victims of lawyer theft. Some of the funds are administered by the state and
others are administered by the bar associations. First you must discover if your state has
one of these funds and then if a fund is available file your complaint.

LAWS OF FACT

26 Title 42 U.S.C. s 1986, also holds every person who, having knowledge that any of the
27 wrongs conspired to be done, and mentioned in section 1985 of this title, are about to be
28 committed, and having power to prevent, neglects or refuses so to do, shall be liable.

29 The loss of liberty, property and Constitutionally guaranteed civil rights that flowed from
30 these persons operating under color of law, towards Thomas is therefore actionable under
31 Civil Rights Act OF 1871, Title 42 Sections 1983. 1985. 1986, 1988 and this court has
32 jurisdiction for all parties pursuant to 28 U.S.C. 1331 AND 1343 (a).

1 The state courts have held that State Judges do not have immunity. It was most eloquently
2 stated in Rabon v. Rowen Memorial Hosp. Inc. 269 NSI, 13, 152 S.E.2d 485, 493 (1967) that,
3 "immunity fosters neglect and breeds irresponsibility, while liability promotes care and
4 caution, which caution and care is owed by the Government to its people."

5 In 42 U.S.C.A. 1983, and in Shore v. Howard, 414 F. Supp. 379 the court was definitive in
6 saying, "There is no Judicial immunity to civil actions for equitable relief under the Civil
7 Rights Act of 1871."

8 In the case of Fireman's Ins. Co. v. Washburn County, 2 Wis. 2d 214, 85 N. W. 2d 840
9 (1957), it was decided that, "Government immunity violates the common law maxim that
10 everyone shall have a remedy for an injury done to his person or property."

11 Through 42 U.S.C. 1983, Congress sought "to give a remedy to a party deprived of
12 constitutional rights, privileges and immunities by an official's abuse of his position."
13 Monroe v. Pope, 365 U.S. 167, 172 (1961). Accordingly, it authorized suits to redress
14 deprivations of civil right by person acting under color of any state statute, ordinance,
15 regulation, custom, or usage." 42 U.S.C. 1983. The requirement of action under color of
16 state laws means that the judicial defendants become liable for tortuous acts they commit
17 precisely because of their authority as judicial officers.

18 In separate disciplinary actions announced today, the Supreme Court of Ohio permanently
19 disbarred attorney Michael F. Dadisman and indefinitely suspended the license of attorney
20 Michael Leonard King, both of Independence, and imposed an 18-month suspension on
21 attorney Robert Earl Garfield of Pepper Pike.

24 Michael F. Dadisman, Attorney Registration No. 0040997, is permanently disbarred from the
25 practice of law in Ohio.

ENFORCEMENT OF JUDGEMENTS §12.06
ENFORCEMENT OF MONEY JUDGEMENT § 12.07

The great irony of the case in Fulton County is that the plaintiff used provisions of the tort reform legislation passed two years ago to exclude two of the defense experts, and to add on roughly \$4 million in attorney fees and expenses in addition to the jury's verdict due to the defense rejection of an offer of settlement under OCGA 9-11-68. Thus, the insurance company that lobbied so hard for tort reform legislation is hoist upon its own pettard.

To determine this individual's ability to do work-related activities on a day-to-day basis in a regular work setting, please give us an assessment - BASED ON YOUR EXAMINATION - of how the individual's mental capabilities are affected by the impairment(s). Consider the medical history, the chronicity of findings (or lack thereof), and the expected duration of any work-related limitations, but not the individual's age, sex or work experience.

For each activity shown below:

(1) Describe the individual's ability to perform the activity according to the following terms:

<u>Unlimited</u>	Ability to function in this area is not limited by a mental impairment.
<u>Good</u>	Ability to function in this area is more than satisfactory.
<u>Fair</u>	Ability to function in this area is limited but satisfactory.
<u>Poor</u>	Ability to function in this area is seriously limited but not precluded.
<u>None</u>	No useful ability to function in this area.

(2) Identify the particular medical or clinical findings (I.E. mental status examination, behavior, intelligence test results, and symptoms) which support your assessment of any limitations.

IT IS IMPORTANT THAT YOU RELATE PARTICULAR MEDICAL FINDINGS TO ANY ASSESSED LIMITATION IN CAPACITY. THE USEFULNESS OF YOUR ASSESSMENT DEPENDS ON THE EXTENT TO WHICH YOU DO THIS.

I. MAKING OCCUPATIONAL ADJUSTMENTS

Check the blocks representing the individual's ability to adjust to a job and complete item #9.

4. Use judgment			✓		
5. Interact with supervisors				✓	
6. Deal with work stresses			✓		
7. Function independently				✓	✓

MRI C SPINE WO/CON

01/29/07 03:55PM

FULL REPORT: MRI, cervical spine.

MRI of cervical spine was performed axial and sagittal T1 and T2. There is disc space narrowing at C4-5, 5-6, and 6-7 with minimal bulging posteriorly at these levels as well as C3-4 upon the ventral subarachnoid space of the cervical canal. No spinal cord abnormality apparent.

Neural foramina: C2-3 normal, C3-4 minimal narrowing on the right, C4-5 minimal narrowing bilaterally, C5-6 moderate narrowing, left, and C7-T1 not visualized on the axial.

IMPRESSION: Disc degeneration and mild spinal stenosis, as described.

Interpreted by: Arthur T. Gronner, M.D.

Electronically Signed by: Arthur T. Gronner, M.D.

MRI, CSPINE WO CONTRAST

History: Shooting pains within the thoracic spine

Technique: Multi-planar MRI was performed of the cervical and thoracic spine

Findings: Vertebral body heights and marrow signal are preserved throughout. Alignment remains anatomic. The spinal cord demonstrates normal configuration and signal characteristics throughout all imaged levels. Disc spaces are normal in appearance throughout the spine with the exception of the following levels:

C3-4: Prominent left disc osteophyte causing moderate neural foraminal compromise on the left but minimal effect on the spinal canal.

C4-5, C5-6, C6-7: Minimal dorsal disc osteophyte formation with hypertrophy of the joints of Luschka causing mild neural foraminal compromise on the left, but no canal compromise.

T2-3, 3-4 and T9-10 degenerative disc changes with mild dorsal disc displacement causing mild effacement of the thecal sac at T9-10, and to a lesser degree at T2-3. The cord is not affected. Neural foramina are patent at all imaged levels.

IMPRESSION:

Impression:

1. Mild-to-moderate chronic cervical and thoracic degenerative disc changes as described, most severe at C3-4 where there is moderate left neuroforaminal compromise.
2. No evidence of pathology which could account for a thoracic radiculopathy.

This study was personally reviewed by Dr. Paul Carpenter, the attending radiologist in this case.

Dear Jimmy T Stringer,

Welcome to my practice!

90752-7682

At Kaiser Permanente, we believe that your relationship with a personal physician is central to your health care experience. As your personal physician, I will partner with you to meet your adult health needs. Here's some information about me and other resources that will help you get acquainted with our Department of Adult Medicine at the Oakland Medical Center.

I graduated from medical school at Stanford University in Stanford, CA. I attended residency training at Veterans Administration Medical Center in Martinez, CA. I am board certified in Internal Medicine by the American Board of Internal Medicine.

In 1980, I joined Kaiser Permanente and am proud of our 60-year history of providing high quality, evidence-based medicine. One of the great benefits of practicing medicine in Kaiser Permanente is that I can focus on my patients without having to worry about insurance authorizations and paperwork. Also, with so many excellent physicians working together in the same integrated system, I can call on the expertise and experience of my colleagues should you need care from a specialist.

Finally, I'm excited to let you know about my home page and encourage you to visit kp.org/mydoctor/thomassharpton. From my home page you can e-mail me your health questions and can usually expect a response from me within two business days. To e-mail me, schedule routine appointments, or refill prescriptions online, go to my home page and register for a secure password. The password will be mailed to your home address in three to seven business days.

I look forward to being your personal physician and helping you to achieve your health goals.

Sincerely,

T. Sharpton MD

Dear JIMMIE STRINGER,

Your account with Georgia Power is seriously past due and has been referred to my firm. It is imperative that you take prompt action to clear this balance. I strongly urge you to contact Georgia Power and make arrangements to voluntarily pay your past due debt.

Unless you notify Georgia Power that you dispute the validity of the debt or any portion of it, within thirty (30) days after receiving this notice, Georgia Power will assume this debt is valid and shall continue its pursuit of this debt even during the thirty (30) day period. If you notify Georgia Power in writing within thirty (30) days of receiving this notice, Georgia Power will provide you with verification of the debt, if it has not already been done. There has been no judgment to date and none is currently being sought.

Please be advised that Georgia Power, the original and current creditor on this debt, is attempting to collect this debt and will use any information acquired for that purpose. Finally, if payment arrangements are not made with Georgia Power within thirty (30) days, additional steps may be taken by Georgia Power to collect this debt. If the debt remains unpaid, then litigation on the claim may be undertaken by Georgia Power. Should such court action prevail, you may be subject to court costs and, in some cases, attorney's fees.
